New Style*—begun Oct. (5) 15, 1582—makes **00 a common year, except in the first column.

PERPETUAL DAILY CALENDAR.

RULE.—If the year required is not in the adjoining column, find its cipher above (at the intersection of the line of the year with the column of the hundreds). Opposite it here are all the months of that year, with the days of the week in proper order underneath the name of each month
N. B.—In a leap year—indicated by thicker type—take the italicized *January* and *February*.
The Indicator is intended to be set to the current month.
